Dear Rosemary

I would like to say a big thank you to Hertfordshire Music Services for joining us in Christmas carols at the hospital. This was greatly appreciated by both patients and staff and certainly gave some festive cheer. It was great to see so many young people giving up their valuable time.

Please could you pass on my thanks and appreciation to all those concerned and may I take this opportunity to wish you a Merry Christmas and a Happy New Year.

Best wishes,

Regards,

Marc Davis
