

Award-winning technology. Inspiring music education

Fully subsidised for all Hertfordshire schools

Introducing Musical School

Drawing together the practical skills of singing and playing, listening, improvising and composing, Musical School offers specialists and generalist classroom teachers everything they need to teach music brilliantly.

Over 12,500 schools use the award-winning programme every week. Charanga gives you all the resources, training and everyday support you need to enhance your curriculum and embed music into your school, including:

- Schemes of Work to support day-to-day music teaching in any context
- Comprehensive lesson planning and curriculum support
- A customisable library of songs, creative tools and interactive teaching resources
- YuStudio, Charanga's beginner-friendly DAW for schools
- Online workspaces to extend teaching and learning beyond the classroom
- Free CPD and training

By combining the latest technology with solid pedagogy and specialist resources, Musical School supports pupils' learning while meeting all of the requirements of the National Curriculum for Music.

Everything the programme provides is designed to help children develop a love, knowledge and respect for music in all its forms.
