# Songwriter

Wherever you are in your musical journey Songwriter is here to help you express who you are and the stories that you would like to share with the world.

With help from our experienced leaders, you will be guided through the world of song writing focusing on your own musical goals while creating opportunities amongst a community of likeminded individuals.

## Pillars for Songwriter

### **Expression**

Provide the space for young people to express themselves through creative music making.

### **Progression**

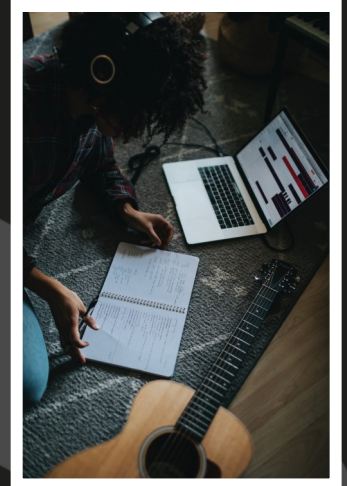

Encourage each young person to develop their musical ideas and progress towards their musical goals.

### **Opportunity**

Facilitate opportunities and platforms that enable each young person to share the music they have created.

### **Community**

Support partnerships that enable stronger networks of songwriters to connect, share ideas and perform to wider audiences.
