

Junior Steel Pans

Stevenage Music Centre

A great introduction for new musicians and those who wish to play with an ensemble.

The perfect instrument, as the basic skills are easy to learn and playing the instrument does not require any previous musical experience.

Benefits of the Steel-pans programme

- Learn about the history of steelpans from the Caribbean
- Learn songs using the steelpans
- Learn rhythms using the steelpans
- Develop listening skills
- Develop ability to work in an ensembles
- Develop confidence through performing to an audience (optional)
