

# Stringbabies®

## Stevenage Music Centre

### A simple introduction to the violin and general musicianship for beginners.

Hertfordshire Music Service and Stringbabies Ltd. are working in partnership to offer a fun and rewarding way for very young children (3-5 years old) to learn stringed instruments.

The Stringbabies programme involves learning an instrument using games, toys and general musical skills. Structured home practice is gradually introduced as the programme proceeds.

This will lead to being able to perform well, while confidently sight-reading and composing with conventional music notation. A typical session will include playing, lots of singing and musical games, all with a strong emphasis on enjoyment!

#### Benefits of the Stringbabies programme:

- early violin playing
- early, confident sight-reading
- composing experience
- singing skills
- aural skills (listening)
- rhythmic skills
- posture, bowing and left-hand skills
- presentation and performance skills
