

Looking for Rainbows - Lyrics

4. The Rainbow

Now the long, long wait is over, we can hug our friends once more.
Families can be together, welcome through the open door.
We're greeting friends, but not on Zoom. We're meeting in an open room.
The worst of times are past, the world is ours at last.
The NHS will take us to the rainbow's end!

Rainbows in the sky, in the windows we pass by.
They're always in sight, by day or by night
The rainbow's multi-coloured light.
Rainbow's colours glow letting all the carers know
We're grateful they're here to calm all our fear,
So thank you, thank you everyone.

Now the long, long wait is over, we can go to school once more.
Teachers with us in our classroom; this is how it was be-fore.
We're working hard to make the grade. We're catching up. we're not afraid.
We know that someone's there, we're always in their care
The NHS will take us to the rain-bow's end!

Rainbows in the sky, in the windows we pass by.
They're always in sight, by day or by night
The rainbow's multi-coloured light.
Rainbow's colours glow letting all the carers know
We're grateful they're here to calm all our fear,
So thank you, thank you everyone.

If you're happy you can sing a little song (tra-la-la-la)
If you're happy you can sing a little song (tra-la-la-la)
If you know the little tune, it doesn't mean you have to Zoom it
If you're happy you can sing a little song.

4. The Rainbow cont.

If you're happy and you know it, wash your hands.
If you're happy and you know it, wash your hands.
If we wash our hands, admire us. We have washed away the virus.
If you're happy and you know it, wash your hands.

You can clap your hands and thank the NHS
You can clap your hands to thank the NHS
With the NHS be-side us, we will stop corona virus,
So we clap our hands and thank the NHS

Rainbows in the sky, in the windows we pass by.
They're always in sight, by day or by night
The rainbow's multi-coloured light.
Rainbow's colours glow letting all the carers know
We're grateful they're here to calm all our fear,
So thank you, thank you everyone.
